

Release of Student Directory Information

Policy Number: 100.300

Pursuant to Federal law St. Croix Central School District will disclose or release appropriately designated "directory information" without prior parental written consent. The primary purpose of this policy is to allow appropriate information from students' education records to appear in certain school publications. Examples include:

A playbill, showing your student's role in a drama production;

The annual yearbook;

School district website;

Honor roll or other recognition lists;

Graduation programs;

Sports activity sheets, such as for wrestling, showing weight and height of team members.

Information such as the student's name, address, telephone listing, e-mail address, photograph, participation in officially recognized activities and sports, weight and height of members of athletic teams, degrees, honors, and awards received, date and place of birth, major field of study, the most recent educational agency or institution, dates of attendance and grade level attended shall be considered public information and may be released to appropriate persons and media, unless parents, guardians, or adult students notify the District in writing of their desire to not have directory information disclosed or released.

Upon request, the District will release students' names, addresses and telephone listings to military recruiters unless parents, guardians, or adult students file a written notification for the contrary.

This policy shall be published at the beginning of each school year in the District newsletter and also posted on the District's website.
