St. Croix Central School District
SCC FOOD for KIDS
Backpack Program Application

Dear Parents and Guardians,

The St. Croix Central School District knows that the struggling economy is taking its toll on families in our community. Increased homelessness and the rising number of families using the food shelf have raised our concern that some of our families may need food assistance on weekends and extended breaks. In collaboration with the Hammond and Roberts communities we are happy to provide backpacks filled with nutritious, kid-friendly food items for your child(ren) to consume at home.

Families may join the program at any time throughout the school year. Due to the need to purchase food in advance, applications received *may* require up to 2 weeks before your family will receive its first backpack.
